**DESCRIPTION:** Education Station is a customized program built on current research that shows that systematic, intensive and explicit instructional methodologies are highly effective in addressing the needs of students who are struggling academically. Instruction focuses on the critical components of sound instruction as set forth by the National Reading Panel and the National Council of Teachers of Mathematics. Before the program begins, students complete an initial program assessment and a personalized Student Plan is developed to guide instruction. Education Station uses a variety of methods to involve parents/guardians. Education Station also provides individual schools with an End of Program report.

**STUDENT/TEACHER RATIO:** 6-12/1
